

# Getting There

The Field day on May 19 will be fantastic. Trelawney is easy to get to. Farm roads are good but large buses are not advised. Minibuses will be fine. Cost of travel to the field day is fully covered by Namoi CMA. All bus tax invoices are to be made out to 'Namoi CMA' attention Col Easton, PO Box 528 Tamworth NSW 2340

In order to get through everything, it is appreciated that you arrive by 8:30 am. Allow 15 minutes from the Manilla Rd turn off at Somerton to 'Trelawney'. This will give you ample time to get organised before the workstations commence at 9:00 am. Be sure to print out field day worksheet from your CD.

**What I need to do now:**

1. Get your permission notes from students
2. Book your mini bus(es)
3. Check the Tutorial dates below. Tell me if your group can or cannot attend these
- 4. Complete the INFORMATION SHEET below now and send it back URGENTLY**
5. Use the map to “Moondyne” attached to get there by **9:00 am on May 14.**
6. Make sure the bus company knows to make its **Tax Invoice** out for the bus hire to the field day out to **Namoi CMA** and send it to the address below as soon as possible.

**Complete the INFORMATION below now and fax or email it back urgently**

**What do I bring to the field day on May 19?**

You and all attendees bring roughed shoes, rain gear, hat, sunscreen, pens, clip board, field work books printed from the CD or web (see below) and a drink bottle.

All resource information for the competition is also available on the Namoi CMA web page at [www.namoi.cma.nsw.gov.au](http://www.namoi.cma.nsw.gov.au). For no charge, no tricky registrations you can open up and print out all your map and manual resources.

**Tutorials.**

Namoi CMA is holding 1.5 hour tutorials at a town near you. The aim of these is to re-enforce the lessons learnt from the field day, to examine how to go about planning a property such as “Trelawney” and what to cover in your entry.

If you wish to attend with your class please contact Col Easton on Tel: 6764 5940 or [col.easton@cma.nsw.gov.au](mailto:col.easton@cma.nsw.gov.au) Though there is no cost, no assistance to attend the tutorial is available either.
